AMAZONAS 2019 TURBINE SYSTEM

5 500 x 2 350 x 1 470 mm
 one-person swimming pool, 2 sitting places

Exceptional solutions, available with semi cabinet design. We have now designed two sitting places, so you can use professional swimming and unique massage in parallel. A side-mounted filter housing is now placed at the end of the swimming area, so that the floating area is wider. Versatile use, perfect combination for swimming and children's paddling. Turbine: extremely low power consumption with significantly high flow rate.
