DANUBE 2019 TURBINE SYSTEM

4 500 x 2 350 x 1 470 mm

one-person swimming pool

Exceptional solutions, available with semi cabinet design. We have now designed two sitting places, so you can use professional swimming and unique massage in parallel. A side-mounted filter housing is now placed at the end of the swimming area, so that the floating area is wider, more than 50 cm. Turbine: extremely low power consumption with significantly high flow rate.

optional

easy cover lifter

towel holder

Wellistep

spa umbrella

wooden spa step

automatic filter cleaner

spabag

scandinavian insulation

spa grip

paddle

floor mount handrail

spaziano tray
